## **NDDOT opens four lanes of US 85 Truck Bypass near Alexander today**

The NDDOT has opened all four lanes of the US 85 Alexander Truck Bypass to traffic today. The new bypass accommodates four lanes of traffic and routes U.S. Highway 85 traffic to the west of Alexander. Traffic will no longer need to use the County Road 20 detour to access to Alexander. Signs are in place to direct local traffic into Alexander on Business Route 85.

The NDDOT Williston District serves the transportation needs of the communities in northwestern North Dakota, including Williston, Alexander, Watford City, New Town, Stanley, and Berthold. NDDOT has been working very hard to build new bypasses, expand roadways, and provide roadway improvements that will enhance traffic movement in this very fast growing part of the state to get motorists where they need to go safely. To learn more about this year's projects visit [www.nddotwilliston.com](http://www.nddotwilliston.com).
